GREEN INFRASTRUCTURE

MAINTENANCE WORKSHOP

THURSDAY, SEPTEMBER 17, 2015

8:00 A.M.: REGISTRATION AND CONTINENTAL BREAKFAST

8:45 A.M. – 2:00 P.M.: WORKSHOP

BOTANY HALL

PHIPPS CONSERVATORY & BOTANICAL GARDENS

G. Eric French, PCH
Eisler Landscapes

President

Eric@eislerlandscapes.com | 724.865.2830

Eric is a graduate of Penn State University's Horticulture program, and has guided Eisler Landscapes' growth from a few planting crews into a full service, site excavation, construction and landscape installation company. Over the past 25 years, Eric has managed a wide variety of construction projects ranging from small residential to large commercial.

Additionally, Eric has acted as an Adjunct Professor at Chatham University, and his alma mater, Penn State University teaching undergrad and graduate level courses in landscape construction and horticulture. He has been a guest speaker at Carnegie Mellon University and conducted regional seminars on Green Roof Design and Construction.

Bruce Cody
PA Aggregates & Concrete Association

Concrete Promoter

bruce@pacaweb.org | 724.924.9670

Bruce has been with the Association for 8 years. He works with Ready Mix Concrete companies, Concrete Contractors, Engineers, and Architects to build a team for successful construction projects. Before his position there, he was a general contractor for 20 years, 10 of those years specializing in Insulated Concrete Form construction.

He sat on the Board of Directors of the Pittsburgh American Concrete Institute chapter, and served as the chapter President. Mr. Cody has been involved as an expert witness for the Concrete and Building Industry and has been an arbitrator on numerous construction litigation cases. He is a NRMCA certified pervious Concrete Technician and an ACI Concrete Flatwork Technician and Grade 1 Testing Technician.

Phil Austin
Unilock Ohio, Inc.

Commercial Design Consultant

phil.austin@unilock.com | 330.927.4000

Phil is a native to Michigan and graduate of Michigan State University with a degree in Landscape Architecture, and incorporates his passion for sustainable design into his business approach. Working as a landscape architect in Fort Lauderdale, Pittsburgh and Dubai he is able to use his more than twelve years of design experience to provide both local knowledge and a worldly perspective. A resident of

Pittsburgh for over eight years, he enjoys watching the city evolve and embrace its diverse geography.
