

3 Rivers Wet Weather Stormwater Conference: Planning for a Rainy Day

**Thursday, May 28, 2020
8 a.m.-4:30 p.m.
Pittsburgh Shrine Center
Cheswick, PA**

Join us for this day-long educational event as we bring together local and regional experts to share their knowledge and expertise on stormwater management.

Session topics:

Funding • Watershed Planning •
Mapping • Flooding •
Installation, maintenance & monitoring of
stormwater best management practices

Interact with service providers,
ask questions of our session presenters and
network with other municipalities facing
the same challenges.

A complete conference agenda will be available soon at www.3riverswetweather.org

Registration Fee: \$35

includes continental breakfast, lunch,
refreshment break, conference materials
and an educational-hours certificate.

Register online today!
