

Eastern Basin Communities Municipal Portion of 2022 and 2023 Quarterly Sewer Rates

This chart shows the quarterly sewage bill for 12,000 gallons and represents only the municipal portion of the bill. ALCOSAN's quarterly charges of \$137.21 (2022) and \$146.80 (2023) should be added to calculate the total sewage bill in each community.

**Negative numbers indicate that the municipality covers a portion of the ALCOSAN charge for each customer. There is no separate municipal rate.*

^This symbol beside the community name indicates that the municipal sewer rate portion of a customer's bill remained the same or decreased from 2022 to 2023.
